5 Male Purebred Yorkshire Terrier puppies available

Ready for pick up early May, in time for Mother's Day, looking for their loving forever homes.

The puppies will be wormed, vaccinated, vet checked and will have a Certified Pedigree, microchip and DNA parentage.

Our dogs are a part of our family and live in our home, the puppies will be well socialised with people and other pets.

Each puppy will come with a complementary puppy pack that contains everything they will need for their new homes and instruction booklet on how to care for your new family member.

Located in Alexandra Hills. Serious enquiries only.
