

As Puppies

These are the dry foods and nibbles we love to eat

As puppies these are the tin foods we sometimes enjoy

Pet's own puppy milk every now and then after eating dry food.

As puppies these are the things we love to eat fresh ricotta cheese

in small portions

Raw or cooked beef mince

Cooked chicken no bones !

Carrots for cooking
or to chew on as a chewy treat

As adults we like
just as they are
mixed together

to eat these dry foods
or in a cookie jar
(container)

As adults we like to eat these meats

occasionally

Beef mince

cooked chicken

we also enjoy these cheeses in small amounts sometimes

Ricotta cheese

tasty or mild cheese

Get your own bone

Knuckle bones

or

brisket bone good when teething or keep teeth clean

This is recommended for us puppies
